13.2 The Unit Holder declares that the funds totalling EUR \_\_\_\_\_, which are used to purchase the Units represent funds obtained by the Unit Holder from the following source (such as: employment/salary, selling company, selling real estate and inheritance):

---

---

13.3 The Unit Holder hereby gives its consent to the Legal Owner and other management, administration and service providers of the Fund to disclose this transaction to those institutions which are legally entitled to receive the information contained herein.

**14. DECLARATION CUSTODY BANK<sup>2</sup>**

A Unit Holder which is a custody bank (nominee account) that, on behalf of its clients, makes a subscription to the Fund declares that it shall identify, verify and record the identity of such clients, and that, to the best of its knowledge, the funds invested do not and will not directly or indirectly derive from any unlawful or criminal activity.

**15. QUALIFICATION UNIT HOLDER AS (NON) PROFESSIONAL INVESTOR**

15.1 The Unit Holder shall be considered a professional investor (*professionele belegger*) if it qualifies as such within the meaning of section 1:1 FSA. The type of investors qualifying as professional investor (*professionele belegger*) within the meaning of section 1:1 FSA are reflected in **Annex 1**.

15.2 In case the Unit Holder does not qualify as a professional investor (*professionele belegger*) within the meaning of section 1:1 FSA, it may request the Fund Manager to be treated as such in accordance with the FSA. The Fund Manager may approve or refuse such request at its sole discretion.

**16. PLANNED INVESTMENT PERIOD AND FREQUENCY OF TRADING**

16.1 The planned investment period and expected frequency of trading are:

Planned investment period : \_\_\_\_\_

Expected frequency of trading : \_\_\_\_\_

16.2 The planned investment period and expected frequency of trading set out in Clause 16.1 will not form any kind of commitment from the Unit Holder.

**17. THE U.S. FOREIGN ACCOUNT TAX COMPLIANCE ACT**

Under the U.S. Foreign Account Tax Compliance Act ("**FATCA**"), the United States will impose a withholding tax of 30 per cent on certain U.S. sourced gross amounts not effectively connected with a U.S. trade or business paid to certain "Foreign Financial Institutions", including the Fund, unless some information reporting requirements are complied with.

---

<sup>2</sup> This Clause 14 only applies in case the Unit Holder is a custody bank.

The Fund will use reasonable efforts to satisfy any obligations imposed on it in order to avoid the imposition of this withholding tax (except with respect to the interest of “recalcitrant account holders” as described in §1.1471-5(g)(2) of the Foreign Account Tax Compliance Act). A fund’s ability to satisfy its obligations under an agreement with the U.S. Internal Revenue Service (“**IRS**”) will depend on each participant of such fund providing the fund with any information, including information concerning the direct or indirect owners of such participant, that the fund determines is necessary to satisfy such obligations. Any such information provided to a fund will be shared either with the local tax authority or the IRS, depending on the Model of the Intergovernmental Agreement. An investment fund that is classified as subject to FATCA requirements will be required to register with the IRS and obtain a Global Intermediary Identification Number (“**GIIN**”) and agree to have policies and procedures in place to identify certain direct and indirect U.S. account holders or equity holders. For these purposes the Fund would fall within the definition of a foreign financial institution (“**FFI**”) for the purpose of FATCA.

Each prospective Unit Holder agrees by signing the Subscription Form to provide such information upon request from the Fund Manager or the Administrator. If a fund fails to satisfy such obligations or if a participant of a fund fails to provide the necessary information to such fund, as applicable, payments of U.S. source income and payments of proceeds will generally be subject to a 30 per cent withholding tax.

The Fund may exercise its right to completely redeem a participant that fails to provide the Fund or the Administrator with the requested information in order for the Fund to satisfy its FATCA obligations, and the Fund may take any other action deemed necessary in relation to a participant's shares or redemption proceeds to ensure that such withholding is eventually borne by the relevant participant whose failure to provide the necessary information gave rise to the withholding tax. Each prospective Unit Holder in the Fund should consult their own tax advisor regarding the requirements under FATCA with respect to their own situation.

The Fund will endeavor to satisfy the requirements imposed on the Fund by FATCA to avoid the imposition of FATCA withholding tax. However, there can be no guarantee or assurance that the Fund will comply with all the requirements imposed by FATCA. In the event that the Fund is not able to comply with the requirements imposed by FATCA and the Fund does suffer US withholding tax on its investments as a result of non-compliance, the Net Asset Value may be affected and the Fund may suffer loss as a result.

### *The Common Reporting Standard*

The Netherlands is one of multiple jurisdictions which have agreed to the automatic exchange of financial account information on the basis of the standard published by the Organisation for Economic Co-operation and Development (the "**Common Reporting Standard**" or the "**CRS**"). Financial institutions resident in jurisdictions which have agreed to the CRS, should report certain account holder information to their local tax authorities who will then exchange such information with countries where account holders are tax residents. It can provide timely information on non-compliance where tax has been evaded, particularly where tax administrations have had no previous indications of non-compliance.

For the purposes of efficiency, the CRS was deliberately built on the framework of FATCA and replicates many of its principles, although there is no withholding tax regime or requirement for reporting financial institutions to register with Foreign Tax Authorities (as defined below). Furthermore, certain CRS client classification, due-diligence and reporting requirements differ from or are more expansive to those deriving from FATCA. Further inter-governmental agreements will therefore be entered into with other third countries by the Dutch government from time to time to enable reporting to such third countries' tax authorities ("**Foreign Tax Authorities**") as provided in the CRS.

By investing or continuing to invest in the Fund, Unit Holders shall be deemed to acknowledge that:

- a) the Fund is considered to (i) be a reporting financial institution under the CRS and the Fund (or its agent) will be required to disclose to the competent tax authority of the Netherlands certain confidential information in relation to the Unit Holder, including but not limited to the Unit Holder's name, address, tax identification number (if any), social security number (if any) and certain information relating to the Unit Holder's investment;
- b) the competent tax authority of the Netherlands will be required to automatically exchange information as outlined above with the Foreign Tax Authorities;
- c) the Fund (or its agent) will be required to disclose to the Foreign Tax Authorities certain confidential information when registering with such authorities and if such authorities contact the Fund (or its agent directly) with further enquiries;
- d) the Fund may require the Unit Holder to provide additional information and/or documentation which the Fund will be required to disclose to the competent tax authority of the Netherlands;
- e) in the event that an Unit Holder does not provide the requested information and/or documentation, whether or not that actually leads to breach of the applicable laws and regulations by the Fund, a risk for the Fund or the Fund's Unit Holders being subject to withholding tax or penalties under the relevant legislative or inter-governmental regimes, the Fund reserves the right to take any action and/or pursue all remedies at its disposal including, without limitation, compulsory redemption or withdrawal of the Unit Holder concerned;
- f) no Unit Holder affected by any such action or remedy shall have any claim against the Fund (or its agent including the Administrator) for any form of damages or liability as

a result of actions taken or remedies pursued by or on behalf of the Fund in order to comply with the CRS, any further inter-governmental agreements or any of the laws and regulations related to the CRS; and

- g) all information to be reported under CRS will be treated as confidential and such information shall not be disclosed to any persons other than the competent tax authority of the Netherlands and the Foreign Tax Authorities or as otherwise required by law.

Unit Holders should ensure that their tax affairs are compliant with the laws and regulations applicable in their jurisdiction(s) of residence and/or citizenship (as applicable).

## 18. **PROCESSING OF PERSONAL DATA PURSUANT TO THE GENERAL DATA PROTECTION REGULATION**

18.1 The Fund Manager controls the processing of the personal data to be provided by the Unit Holder in this Subscription Form. The processing of this personal data is necessary for (i) the performance of the Fund Manager's obligations under or pursuant to this Subscription Form and the Prospectus, and (ii) compliance by the Fund Manager with applicable rules and regulations such as the rules on the prevention of money laundering and financing of terrorism (together the "**Purposes**"). The Unit Holder's personal data collected shall not be used for other purposes. The provision of the personal data by the Unit Holder is necessary for a subscription to the Fund. Failure to provide this personal data shall result in the Fund Manager not accepting the requested subscription.

18.2 Your personal data will be shared with the Administrator for the Purposes and may be shared with other service providers of the Fund Manager within the scope of the Purposes only. The Fund Manager takes appropriate measures to ensure that the Unit Holder's personal data will be properly handled in accordance with applicable rules and regulations. When required, your personal data may also be shared with competent authorities.

18.3 The personal data will be stored for such period as required to enable the Fund Manager to comply with applicable rules and regulations. The Unit Holder has the right to request the Fund Manager to provide access to and rectification or erasure of personal data, or a restriction on the processing of the personal data and the right to withdraw any consent given to the processing of personal data.

18.4 At the Fund Manager, Mark Baak will function as privacy officer.

18.5 By signing this Subscription Form, the Unit Holder hereby explicitly confirms and grants its permission to the Fund Manager to control and process its personal data.

18.6 The Unit Holder has the right to lodge a complaint through a competent Dutch court. Further information can be found on the website of the *Autoriteit Persoonsgegevens*.

## 19. **CHOICE OF LAW, COMPETENT COURT**

19.1 This Subscription Form shall be governed by the laws of the Netherlands and shall be interpreted accordingly.

19.2 The Unit Holder hereby irrevocably agrees that any action or proceeding relating in any way to this Subscription Form may be brought to the competent courts of Amsterdam and its appellate courts and irrevocably submits to the non-exclusive jurisdiction of such courts.
